Mr. John Durso
Director of Real Estate
OTB
700 Ellicott Street
Batavia, New York 14020

Dear Mr. Durso:

We are again having extreme difficulties with OTB at Goodman Plaza. Fights have occurred and your personnel have called the Plaza Security. The Plaza Security is for policing the outside of the premises and not the inside except in emergencies. Your manager requested a permanent guard. We have suggested that for years and feel that you should immediately do this. In addition, we have received evidence that sales are proceeding with persons who are inebriated. In addition, smoking is occurring within the premises, contrary to current law.

Also, smoking is occurring in the breezeway, which could result in a fire hazard.

We suggest that you address these situations immediately. Copies of this letter is being sent to the Rochester Police and Fire Departments.

Sincerely,

HAROLD SAMLOFF
