Sir,

The area that U-Haul considers to be the public area is only the area where you walk into the business and up to the counter. This does not constitute a proper inspection of the business and I will not be responsible for doing it in this manner. Therefore I am sending this inspection back in again for Fire Safety to do.

Respectfully Submitted,

Dear Permit Holder:

The Rochester Fire Department has made changes in its permit issuing procedures and form. The permit itself is being mailed directly to you as a result of our annual inspection process. This is not a valid permit, however, until the appropriate fee is paid to the City Treasurer.

I caution you, therefore, to familiarize yourself with the added costs encountered for delinquent payments, which are listed on the back of your permit.

Sincerely,

Eugene Hibbard

DIPOSES and SAYS:

I am a Code Enforcement Officer for the City of Rochester Fire Department, the Fire Safety Division and:

Originally on August 11, 1989 I went to 176 ANDERSON AVENUE for the purpose of performing a fire safety inspection pursuant to the City of Rochester Fire Prevention Code Chapter 54. Said property owned by Mr. Joseph Stern.

Upon inspection I found the property above cited, to be in violation of the New York State Codes, Rules & Regulations (9NYCRR) to wit: 1191.2a

1191.2a DRY VEGETATION, COMBUSTIBLE WASTE AND REFUSE. Combustible waste, refuse and large quantities of dry vegetation, which by reason of their proximity to buildings or structures would constitute a fire hazard or contribute to the spread of fire, shall be removed.

I issued Notice of Violations to Mr. Stern for the corrections to be made on or before a scheduled reinspection on August 25, 1989. Upon my return visit for the scheduled reinspection I found the above cited violations remained uncorrected and each violation remained uncorrected upon reinspections made approximately every days since the original inspection. Tickets were issued on June 12, 1990, on July 12, 1990 and upon a reinspection the violation remains.

Therefore, on August 14, 1990, I issued the following Municipal Code Violation Appearance Ticket: #0119513 for the above cited 9NYCRR violation.
